Streetlamp
Essentials

ICCLE+ILDL

By Ramón Úbeda - Otto Canalda © ® BENITO

The **FAROLA ESSENTIALS** , designed to highlight the aesthetics of the Deco luminaire, is the perfect synthesis of an urban Light Point adapted to BN Technology . With its simple and minimalist geometry, the **FAROLA ESSENTIALS** boasts a neutral aesthetic that simultaneously lends character to even the most architecturally significant urban development projects.

POLE:

Cylindrical Pole made of S-235 JR steel Hot-welded 4 to 6 m high for TOP fixing Ø60 or Ø100 for ESSENTIALS. Textured black finish RAL 9005.
