MINSK design Bench, overall dimensions (length x height x depth) 1800x820x590 mm, manufactured with ductile iron legs (treated with the Ferrus triple-layer protective process for iron, guaranteeing optimal corrosion resistance). Finished with epoxy primer and polyurethane powder coating in black color. Five natural tropical hardwood planks (treated with Lignus triple-layer coating, antifungal, antiseptical, and water-repellent protective agent). Wrap-around cast iron footrest. 50 impacts.

Ref.	A	B	C	H	H1
UM327S	700	590	450	820	460

Stainless steel screws. Prepared for anchoring with M10 expansion bolts depending on the surface and project.
